Planet Festival Cookie Policy

Planet Festival uses cookies to remember your preferences when browsing our website. We also use cookies to allow you to make your travel booking or other purchases.

We understand that making purchases online involves your trust. Retaining your trust is a responsibility that we take very seriously, so here is a guide to cookies on Planet Festival and how we use them.

A summary of the cookies used on this site is set out below; should you choose to decline or later remove cookies then parts of this site may no longer work properly or impair your experience or usage of the site.

Our cookies are categorised into four main types based on the International Chamber of Commerce guide for cookie categories.

Functionality Cookies

Cookie Name(s)	Purpose	Use
Agent_ID, Agent_Key, Agent_Consortium, Agent_Clerk	Agent Login Cookies	Used to remember agent login details.

Performance Cookies

Cookie Name(s)	Purpose	Use
These can vary in naming conventions, but are normally prefixed with ASP NET or ASPSESSIONID	Google analytics	Used to identify the device or user and report to and to communicate with the server correctly.

Strictly Necessary Cookies

Cookie Name(s)	Purpose	Use
Code	Affiliate code	Used to retain which affiliate the user is booking / has booked through.
NoTransferInc, NoTransferFlightID	Flight Information	Used to retain whether or not the user has selected a flight option and whether or not there is a flight id.

session	Session cookie	Used for retaining product / option choices whilst going through the trip booking process
